

Clays Manager

Okeechobee Shooting Sports 5 Star outdoor shooting range is looking for a Clay Shooting Sports Manager. Candidate should have a complete understanding of the Clay shooting sports including Trap, Skeet and Sporting Clays. Responsibilities include maintaining clay machines and equipment, target inventories and managing additional staff as needed. Responsibilities also include developing clay shooting sports programs such as registered shoots and leagues as well as reporting scores and information to the various clay shooting sports organizations. As the Chief Range Safety officer for this area of the range it is the responsibility of the Clay Shooting Sports Manager to maintain a safe and enjoyable shooting experience for our customers. Other responsibilities include providing instruction and pulling targets for customers.

Compensation for this position includes profit sharing.
